

CORPORATE PROFILE

Wardwizard Innovations & Mobility Limited is a leading provider of clean and greener alternatives solutions under its two core verticals **Joy E-Bike** and **Vyom Innovations**. The company was formed under the leadership of Chairman and MD - **Mr. Yatin Gupte**, headquartered in Vadodara, Gujarat.

Wardwizard is the **FIRST** Company in the EV MANUFACTURING sector that has been listed in BSE (formerly known as Bombay Stock Exchange). Currently, the company stands at the market cap of more than 1700 Cr that has grown from 500cr in September.

Core Verticals

Vyom Innovation is an innovative thought, revolutionary ideation, and an extremely potent and viable concept that manufactures one of the best home appliances brands in India. The company offers stylish, energy-saving, and eco-friendly products, from purifiers to smart TVs

Joy E-Bike is one of **India's leading E-Bike manufacturer** with more than 10+ models under its portfolio. The company has been providing a greener alternative to traditional fuel-driven two-wheelers since 2015 and has already grown with over 6000+ happy customers through its 300+ touchpoints present in more than 25+ cities.

Joy E-bike production:

Boosting the 'Make-in-India' initiative to enhance the greener alternatives in the electric vehicle industry, Wardwizard Innovations & Mobility Limited has recently inaugurated the 'State-of-the Art' facility for Joy E-Bike in Vadodara, Gujarat. The plant has an annual installed production capacity of **100,000 electric two wheelers in one shift**.

The new plant also aligns with one of Joy E-Bike's founding principles- **Self-reliance and Make in India**. Every component of the e-bikes is made in-house. The company also highly focusing and investing on development of new technologies through its own Research and Development vertical.

Mr. Yatin Gupte's Profile

Chairman and MD, Mr. Yatin Gupte

An industry stalwart and marketing maestro, Mr. Yatin Gupte, is the Chairman & Managing Director at Wardwizard Innovations & Mobility Ltd.

He is an instrumental leader who with his exemplary knowledge and path-breaking innovative ideas, is consciously working in making the nation 'future ready' in the field of mobility.

An honorary doctorate in social service and MBA holder in Insurance & Risk Management, he has experience of close to two decades in the various fields of business, sales, and much more.

With a vision to leave a mark with his world class innovations, Mr. Gupte is on his journey to nurture dynamic leaders for tomorrow while transforming the entire ecosystem by offering viable solutions.

Mr. Gupte founded Wardwizard Innovation & Mobility Ltd. in 2016, the first ever EV company which got listed in BSE with an aim to provide greener alternatives to current ways of life.

Under his leadership, the Company's market cap grew from INR500 crore in September 2020 to INR1800 crore in May 2021. The company is not only gaining popularity for its innovative and distinguished products in India, but it has spread its wings in global markets as well.

His dreams are in line with the growth of the country and hence he has been working on boosting the '**Make-in-India Atmanirbhar Bharat**' mission to augment greener alternatives in the electric vehicle sector in accordance with the vision of our Hon. PM. Shri Narendra Modi to initiate and execute a better living in India with a Solution to Pollution.

Through this journey he has been recognised for his contribution and bagged some prestigious awards including **Outstanding Contribution for Environmental Conservation and Innovative Product** at House of Commons London, UK Parliament by WBR, **Best Electric Vehicle Manufacturing CEO** by Global CEO Excellence Award, **The Most Promising Business Leader of Asia 2020 -2021** by Economic Times, **Best Brand Award** by Economic Times amongst many others.

He enjoys an active lifestyle and when not working, he loves to play table tennis and do rifle shooting as a part of his refreshing exercises. He is also passionate about cars and has a great collection of luxury brands in his garage.
