Punjab score 4-3 win over Aizawl

PTI / Kalyani

Punjab FC scored two goals in the injury stoppage time to secure a dramatic 4-3 win over Aizawl FC in a high-scoring I-League match at the Kalyani Municipal Stadium here on Friday. Punjab left it very late to find a winner, after coming from behind three times in the thrilling match to land a crushing blow on the former champions. Aizawl FC took the lead in the 24th minute with a slice of luck with Dale Zate sending the ball into the unguarded net after a Punjab player served him on a platter through a deflection. Ashley Westwood's Punjab side levelled the contest on the 38th minute. Their wing play finally bore fruit when captain Bikash Yumnam sent a cross from the right flank. Goalkeeper Lalmuansanga misjudged the flight of the ball, leaving CK Vineeth to rise above everyone else and head the ball into the back of the net.

Will former captain's wait for elusive ton end at Chinnaswamy Stadium as India takes on Sri Lanka in second Test— a day/night contest

PTI / Bengaluru

Chasing an elusive international hundred for 28 months now, Virat Kohli would hope for a turnaround at his 'spiritual home' when India take on an under-prepared and injury-hit Sri Lanka in the second Test, with the action unfolding under flood lights, here from Saturday. Incidentally, the last time Kohli reached a three-figure mark, it was a 'Pink Ball' game in which India thrashed Bangladesh by an innings and 46 runs in Kolkata, back in November 2019. He had scored 136 back then.

The former India skipper has taken strike in 28 innings since then but a Test hundred has remained elusive. The 33-year-old has got a 50-plus score only six times with highest being a knock of 79 against South Africa in Cape Town in January this year.

Now he is returning to the M Chinnaswamy stadium, a venue which he knows like the back of his palm as he has led his IPL side Royal Challengers Bangalore here (RCB) for a decade. That comforting familiarity with the conditions may also help.

Kohli vs tough times

A colossus that he has developed into in world cricket, expectations are always high from the star Indian cricketer, who is perhaps enduring the most challenging phase of his career and not just in pure cricketing terms. Kohli's run-in with the establishment and the subsequent removal from the leadership role in ODIs may have added pressure but he can breathe easy since in Sri Lanka he faces a bowling attack, which hardly has the wherewithal to trouble the Indian batters in their own den.

Kohli had got a start even in the Mohali Test but could not make full use of that. It's not that he is not batting well. He is still striking the ball with

ease and that trademark fluency is also there but lapse of concentration at times is becoming his undoing.

Fatigue that creeps in with a punishing schedule and age could be factors and the lack of confidence due to noise surrounding him outside the cricket grounds is also something which is perhaps affecting his batting.

Batting against a below-average Sri Lankan attack in a comparatively small ground is actually a perfect opportunity

Virat Kohli's last scored a century in a pink-ball Test against Bangladesh

nity to come out of the lean patch in-front of capacity crowd that has always begged him on.

Team Combination

Since it is a pink ball contest, either a fit-again spin all-rounder Axar Patel or pacer Mohammed Siraj could replace Jayant Yadav in the playing XI because both have the ability to cause more damage in a Day/Night game.

Jayant did not do anything special in Mohali. Even when the Sri Lankans were struggling, he went wicket-less in his 17 overs across the two innings.

Axar, in his last Pink ball Test, had wreaked havoc with his under cutters in Ahmedabad against Eng-

land, taking 11 wickets in that contest.

He even opened the attack in the second England innings. However, if grass is left on the pitch then Siraj would be a better option for skipper Rohit Sharma.

Any more change to the playing XI is unlikely even though it will be interesting to see if Hanuma Vihari is given another chance to bat at number three. Rohit had said that it is not certain that the slot would remain with Vihari.

Sri Lanka's struggle

Their resources already not good enough to challenge the talent in the Indian squad, Sri Lankans will be without pacer Lahiru Kumara, who has been ruled out due to a hamstring injury.

But since pacer Dushmantha Chameera has also been ruled out due to an ankle injury, Chamika Karunaratne will replace him in the visiting playing XI.

Dinesh Chandimal is also likely to play as Pathum Nissanka, who was a better performer last game, is also out due to an injury.

Skipper Dimuth Karunaratne will have to lead from the front and produce something out of the ordinary to ensure that they do not meet the same fate as that in the series-opener. He had got starts in both innings but could not convert.

Also, veterans like Angelo Mathews have to show a bit more stomach for fight.

While the batters, at least found runs, intermittently, the Lankan bowlers cut a sorry figure.

Pacer Suranga Lakmal, playing his last series, was the only one among the six bowlers, who managed an economy of under-4 runs. Others were pretty expensive with every Indian batter going after them, especially Rishabh Pant (96) and Ravindra Jadeja (175).

Indian skipper Rohit Sharma plays a shot during practice ahead of the 2nd Test against Sri Lanka in Bengaluru on Friday.
