About Wardwizard.

Wardwizard is an innovation-driven company which is India's First BSE listed EV manufacturing company. With a philosophy to provide clean and greener alternatives to our current ways of life, the two-star products, Joy E-Bikes and Vyom Innovations were formed. Through Joy E-Bikes, the company has been providing a greener alternative to traditional fuel-driven bikes. On the other hand, through Vyom Innovations, the focus is to provide consumers with lesser power consuming home appliances that are also centered towards the betterment of their health.

Being present in 25+major cities and expanding day-by-day, Wardwizard Group is the only Electric vehicle manufacturing company in India with 10+ vehicle models. They are also coming up with 4 new electric vehicles in our new high-performance segment. Under Make In India initiative, their new OEM plant will help new budding electric vehicle brands to get the units manufactured and assembled locally lowering the major costs involved.
