## Press Release

# National Defence College (NDC) Delegation Visits Wardwizard to Understand the EV Segment

**Vadodara, March 22, 2025** – Wardwizard Innovations & Mobility Limited, one of India's leading electric vehicle manufacturers, proudly hosted a distinguished delegation from the National Defence College (NDC), New Delhi, at the Company's headquarters in Ajwa, Vadodara. The visit was led by Major General Ajay Kumar Singh (AVSM, SM) and comprised 17 senior military officials from India, Iran, Bangladesh, Tanzania, Uzbekistan, Japan, and Oman. The delegation also included officers from the Indian Revenue Service, Army, Navy, and Air Force, along with Ms. Tanvi Patel, Joint Commissioner of the Gujarat Industries Department.

As a key representative of the EV segment within the MSME category, Wardwizard Innovations & Mobility Limited provided the delegation with in-depth insights into the company's operations, market share, innovative engineering practices, and assembly line processes. The delegation had the opportunity to witness firsthand the manufacturing excellence and indigenously developed components, reflecting India's growing capabilities in electric mobility.

**Mr. Yatin Gupte, Chairman and Managing Director of Wardwizard Innovations & Mobility Limited**, expressed, *"It was an honor for us, as an MSME, to be selected as the key site for the NDC delegation's study of the EV sector. We were proud to showcase our indigenous manufacturing capabilities and contribute to the understanding of India's thriving EV landscape. Given the state's proactive policies and the sector's rapid growth, we are delighted to be a part of this significant educational exchange."*

The National Defence College, a premier institution for national security and strategic studies, trains senior military and civil service officers. As part of their curriculum, the College conducted an annual study tour of Gujarat, to explore the state's innovative policies, infrastructure, and key developments.

### **About Wardwizard Innovations & Mobility Limited**

Wardwizard Innovations & Mobility Limited is one of India's leading auto manufacturing companies in the Electric Vehicle (EV) segment under the brand name Joy e-bike and Joy e-rik. Being the first listed entity on BSE in Electric Vehicle manufacturing, it is mainly focused on the growth potential in the Indian EV segment to have a positive impact in the future. Given the current state of the environment, where fuel-powered vehicles account for the vast bulk of carbon emissions, the company is promoting improvement by offering cleaner, greener options that produce no emissions. With more than 10 models in its portfolio in both high and low-speed categories, the Company has established a strong presence in more than 400+ cities across India and aspires to boost this number throughout the country.
