Press Release

WardWizard displays its range of electric two-wheelers at India Auto Show 3.0 powering the green mobility initiative

Mumbai, May 26, 2022: Powering the initiative of e-mobility, WardWizard Innovations and Mobility Ltd. (BSE Code: 538970) – one of the leading manufacturers of electric two-wheeler brand ‘Joy e-bike’ showcased its entire range of marque electric two-wheelers at India Auto Show 3.0.

The home-grown EV manufacturer is known for its high and low-speed two-wheeler models like Gen Next, Glob, Wolf, E-Monster, which are popular amongst the riders. Being at the forefront of the EV revolution in India, Joy-e-bike also has plans to launch electric three-wheeler in the second quarter of the current financial year.

Commenting on the EV Expo, **Mr Yatin Gupte, Chairman & Managing Director, Wardwizard Innovations & Mobility Ltd**, said, *“Maharashtra has grown as one of the major EV markets in India. We are grateful to the Government of Maharashtra for their efforts in driving green mobility and providing the EV industry with opportunities to drive the change. Maharashtra is a key market for us with 135 touchpoints and we aim to further adopt new technologies and provide integrated e-mobility solutions to the people of the state. India Auto Show is an important platform for us to showcase, influence, and educate our potential customers to be part of EV transition in India. We are also excited for beginning the deliveries of our new high-speed electric scooters Wolf+ and Next Gen Nanu+ across India.”*

The visitors can experience the power of WardWizard technology and its world-class electric two-wheelers at Bombay Exhibition Centre, Mumbai, Hall No.7.

About WardWizard Innovations & Mobility Limited:

WardWizard Innovations & Mobility Ltd is a leading auto manufacturing company in the Electric Vehicle (EV) segment under the brand name Joy E-Bike. Being the first listed entity on BSE in Electric Vehicle manufacturing, it is mainly focused on the growth potential in the Indian EV segment to provide clean and greener alternatives to the existing usage of mobility, aligned with its philosophy of driving a positive change. Through Joy E-Bikes, the Company has been providing a greener alternative to traditional fuel-driven bikes. It has footprints in more than 25 major cities across India and aspires to boost this number throughout the country.
